

Be Part a of the “Scottsdale Seen”

Chamber Website Offers 24-Hour Exposure

Advertising on the Scottsdale Chamber website is a great opportunity to market your company to over 30,000 people that access our website each month. The Scottsdale Chamber website serves as an information clearinghouse and primary focal point for all Chamber programs, events, and services, as well as being a primary resource for local businesses, residents, community members, and visitors.

All ads include an active link to your company website and click through tracking. The Scottsdale Area Chamber reserves the right to limit the number of banners on a page and refuse any ad it deems inappropriate for the site.

Website Top Banner Ad

Banner ads are featured on every page of our website, including the homepage.
